

Laminated Steel 170

Art. no. US13611

Page 1 of 1

Technology

- Rugged laminated steel body
- Shackle made of hardened steel
- Bottom setting for protection from weather
- Rust-protected, individually dipped steel plates
- Resetting tool included

Operation and use

- The padlock 170 features a rugged laminated steel body and a shackle made of hardened steel. The 170 is rust-protected because each laminate of this padlock gets individually coated.

Variants

- -
